

## Llangybi Community Council

### Register Of Members Interests declared per meeting

(In line with the Community Councillor's Code Of Conduct).

Llangybi Community Council is required to include a register detailing interest for all Councillors, on our website.

This includes all information required to be disclosed. Some interests may be considered 'sensitive' and therefore, may not appear on the declaration of interest form.

Please note all relevant 'interests' are also disclosed by Councillors to the Chairman, prior to or at the start of the Community Council meeting; that Councillor will not be present in that part of the meeting for which they hold an interest.
